

Background / Overview

Kosmas Athletic Ventures Corporation (KAVC) is looking for a logo that is **sporty, elegant, bold, and defined**. It will be used across digital, print, merchandise, and event materials. The logo should feel **premium and confident**, and must be **visually distinct from Helios** to establish its own identity.

Objectives

- Create a **sporty, bold, and defined logo** that will look good on digital collaterals such as websites, online articles, and digital signage.
- Keep it **elegant and refined**, but **not overly approachable**
- *Ensure it is **distinct from the Helios logo***
- Be **versatile** across formats (merch, digital, print, signage)
- Make it **memorable and iconic**, yet simple

Design Style / Inspiration

(See mood board on last page)

- **Sporty & Bold:** Clean lines, strong presence, sense of motion
- **Elegant & Defined:** Minimalist sophistication, strong structure
- **Distinct:** Avoid similarities with Helios, stand alone in style

Initial Inspiration:

- **Nike:** Clean, dynamic, iconic
 - **Style:** Strong, clean lines with a simple geometric shape.
 - **Vibe:** Sporty, confident, and modern.
 - **Notes:** Could focus on a dynamic emblem that works standalone on merchandise and digital assets.
- **Wilson:** Strong, athletic, confident
 - **Style:** Custom, bold typeface with sharp, defined edges.
 - **Vibe:** Elegant yet athletic, professional without being corporate.
 - **Notes:** Focus on letterform strength, maybe with subtle motion cues or angled elements to imply energy.

Avoid:

- Overly approachable or friendly style

- Overly corporate or generic design
- Complex or ornate details

Tone / Brand Personality

- Confident & Premium
- Sporty & Athletic
- Distinct & Bold
- Elegant without being too soft or approachable

Potential Symbols

- Star/cosmic influence
- Someone running or doing an athletic movement
